

**American Board of Forensic Odontology,
Inc.** c/o Certification and Examination
Committee C&EChair@abfo.org

Dear Applicant,

The files on the Application Documents page have all of the necessary information that you will need to complete your application to the American Board of Forensic Odontology (ABFO).

To assist you in keeping track of the application requirements and supporting documents, a checklist titled “ABFO Application Checklist” is included on the Application Documents page. This checklist will help you determine those items that need completion as you acquire the necessary documents and case reports and fulfill the application requirements.

When the application is complete and the supporting documents are prepared and finalized, they all need to be sent at one time on a USB flash drive or uploaded as a Dropbox file to the Chairman of the ABFO C&E Committee. The mailing address of the Chairman can be obtained by writing a message to the Chairman at: C&EChair@abfo.org

It is imperative that the submitted material be arranged in a logical order using labeled digital folders and documents and that the total file size be no larger than 1GB, so that the ABFO C& E Committee can review them in a timely manner. The submitted case reports must use current proper ABFO terminology.

Please note that it is the policy of the ABFO to provide reasonable accommodations upon request to individuals with disabilities as required by law. Discrimination based on race, color, religion, sex (including pregnancy, sexual orientation, or gender identity), national origin, disability, age (40 or older) or genetic information is illegal and not tolerated. If you have any questions, requests, or concerns regarding this material please contact the ABFO Certification and Examination Committee Chair at C&EChair@abfo.org

Sincerely,
The Certification and Examination Committee
American Board of Forensic Odontology
