Robert Emmett Barsley Award for Forensic Odontology Excellence and Development

When Bob Barsley, DDS, JD, DABFO received the 2015 Alumnus of the Year award from Louisiana State University School of Dentistry, he was described by Dr. Frank Martello as having “endless energy and dedication to our profession (that) has been truly admirable and commendable.” These accolades were accurate and also appropriately describe his extensive career in forensic dentistry.

Bob’s generous spirit, thoughtful nature, willingness to share, and eagerness to help anyone he could were hallmarks of his character.

This award is given to a forensic odontologist who, by following the example set by the award’s namesake, has achieved excellence in and dedication to the field of forensic odontology and has shared that excellence and dedication by providing significant assistance to others in developing their forensic odontology skills and facilitating their progress toward entry into organized forensic odontology.

This award will be given to a worthy recipient at the discretion of the ABFO Board of Directors.
